svyouthcoordinator@gmail.com

Please arrive a few minutes early and allow a time margin of five minutes for road conditions or delayed drop-offs or pick-ups. Also for safety purposes please carry a light. It is the policy of W.E. Graham Community Service Society that all Youth riders must have a signed and submitted User Agreement to WEGCSS. You can find a printable copy on our website or ask our driver to provide you with one. The Youth Vans Friday and Saturday night scheduled route does provide transportation to and from the Slocan Valley Youth Centre. However youth (ages 12-19) are welcome to use the van for other destinations along the route.
